

School Branch Program

PFCU is excited to once again have a School Branch at Saranac Junior/Senior High for the 2018/2019 school year. If you are a member of PFCU (students and faculty), you will be able to do your banking right at school. You have the ability to deposit money, make a withdrawal, cash a check, transfer funds and more without having to make an extra trip to the credit union. If you don't have an account with PFCU, visit any of our locations to open one.

The School Branch is open every other Thursday during both the Junior and Senior High lunches in the cafeteria. Below is a schedule that lists the dates we will be open this school year.

October 18	February 7
November 1	February 21
November 15	March 7
November 29	March 21
December 13	April 18
January 10	May 2
January 24	May 16

Contests Every time you use the School Branch you are eligible to enter two drawings. You will have a chance to win a gift card and \$50 deposited into your account. We draw for both of these contests once a month so your chances to win are great!

Work Experience We will need volunteers to work at the School Branch for both the Junior and Senior High lunches. Volunteering at the School Branch is a great resume builder- volunteer hours, work experience, and maybe a future summer job/internship at the credit union! It's an easy way to gain experience. Plus, we like to give our volunteers gifts throughout the school year to say "thank you". Don't pass up this opportunity! You can pick up an application at the school office. Please return your completed application to any PFCU location.

Sincerely,

Maddy Shellberg
